## **ACKNOWLEDGEMENT**

On behalf of myself, I would like to thank all members of group 4 for your hard work and contribution towards the completion of this eProject. I would also like to show my gratitude for Mr. Pham Cong Danh for his valuable assistance during both the planning and development phase. Finally, I would like to thank Aptech for allowing us the opportunity to hone our programming skills and test ourselves on real-life problems. Thank you!

## **SYNOPSIS**

Website PicnicGames is a unit specializing in providing indoor/outdoor games, picnic locations and picnic organization services for family and friends to help people become closer together. than in a bustling, bustling life

The website is to be developed for the Windows Platform using HTML5, JavaScript and Geolocation. The site should work well in all leading browsers including Chrome, IE, Firefox etc.

## **PROBLEM DEFINITION**

The Web site is to be created based on the following requirements.

1. The Home Page should be created making use of Sections with a suitable logo, the header section can be added which will show images of various creative products.
2. The site must contain the links to navigate through any category for the information.
3. The games should be categorized according to the type of games indoor/outdoor
4. Also there should different be sections for
  - Kids
  - Males
  - Females
  - Family games

- 
5. When a user selects any particular category, a list of available game options for that particular category will be displayed
  6. All details about the selected game to be displayed as material needed, time required, how to play etc with the demo videos / instruction document ,also these should be stored in Individual Word documents which can be downloaded or viewed by the User who wishes to see the same.
  7. Along with the games there should also be a section for a common iternery for small getaways with suggested locations.
  8. Site Makers Contact us page: contact us details with location should be displayed using GeoLocation API (eg. GoogleMaps).
  9. Navigation should be smooth and images should be clear.

---

# CUSTOMER'S REQUIREMENTS SPECIFICATIONS (CRS)

Client: PicnicGames

## **Business/Project Objective:**

The Objective of this program is to give a sample project to work on real life projects. These applications help you build a larger more robust application.

The objective is not to teach you HTML/JavaScript/Dreamweaver but to provide you with a real life scenario and help you create basic applications using the tools.

You can revise the chapters before you start with the project.

This project is meant for students who have completed the module of HTML5. These programs should be done in the Lab sessions with assistance of the faculty if required.

It is very essential that a student has a clear understanding of the subject. Students should go through the project and solve the assignments as per requirements given.

Kindly get back @ [eprojects@aptech.ac.in](mailto:eprojects@aptech.ac.in) in case of any doubts regarding the application or its objectives.

## **Input to the system:**

- Browse games, picnic locations by category...

Output from the system:

- A menu that will categorize all the functions of the site.
- Display the list of available games, locations category wisely.
- Site should be able to provide brief introduction/history about the company under About Us page.

- 
- The location of the company is in Contact Us page.
  - Besides the above requirements, the site should have look and feel as per the industry standards.

**Expected delivery date:** Mar-13-2024

**List of deliverables:**

- Document Word.
- User Guide.
- Source code.

---

## **HARDWARE / SOFTWARE REQUIREMENTS**

### **Hardware**

- A minimum computer system that will help you access all the tools in the courses is a Pentium 166 or better
- 64 Megabytes of RAM or better

### **Software**

- Notepad/HTML editor
- Dreamweaver
- IE 5.0/ Netscape 6.0

---

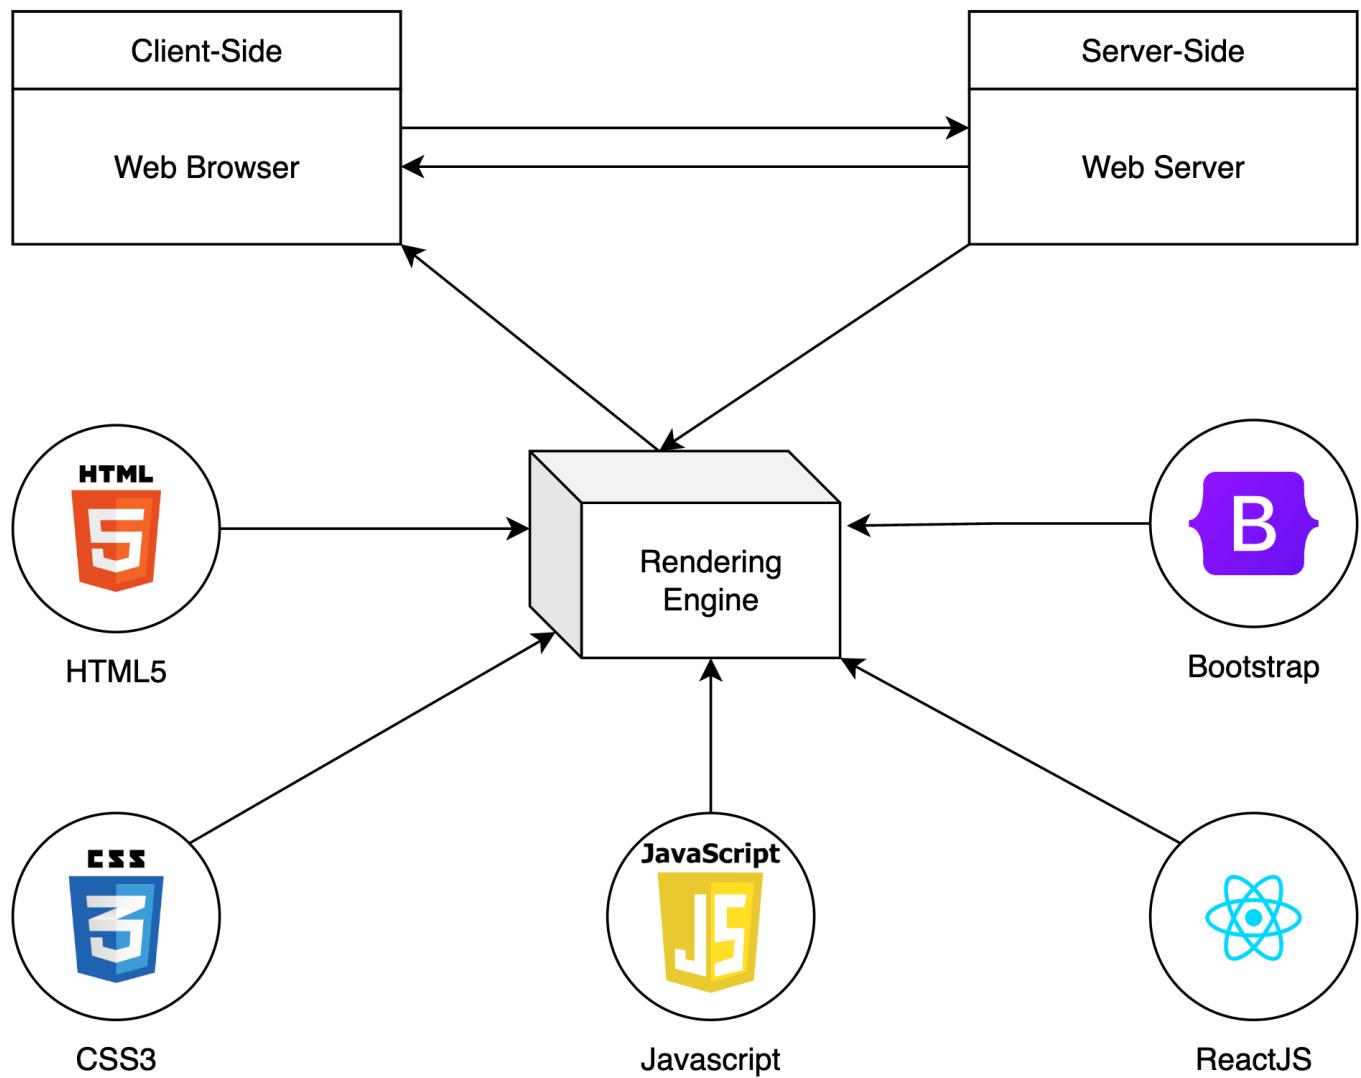

## **SCOPE OF THE WORK (IN BRIEF)**

**I have discussed with my group and we agreed upon the website layout shown as below:**

- 1. Home:** Provides an overview of outstanding games and picnic locations
- 2. About Us:** Offer a concise introduction to the business, such as the company's mission, values, and history, as well as information about the team or founders.
- 3. Games:** Create a page dedicated to categories, a list of some featured games, a summary of the game's name and introduction, and a button to navigate to the game's detailed instructions page.
- 4. Locations:** Provides a list of suitable outdoor picnic locations, sorted by state, with each location providing a brief description of name, address, high-resolution images, and available amenities. available in the surroundings of the location
- 5. Contact Us:** Provide contact information and a form to leave contact information in need of support, with a map showing the location of the headquarters
- 6. Feedback:** Contains a form to collect feedback from customers and visitors who experience the website or have used PicnicGames' services, and has a list of outstanding customer reviews to create trust for visitors.

# UI DESIGN

## 1. Header & Navigation Bar

## 2. Footer

## 3. Homepage

In today's busy and active world, quality time with family, friends and relatives is often overlooked, but picnics can be helpful in making up for some of this lost time. We are honored and excited to be an organization that provides indoor and outdoor games and picnic locations, helping all families bond better together. Referencing the content in the following sections may help you make decisions to organize activities successfully and completely.

## featured Games

### Giant Scrabble

### 3. About

#### About

We help children engage their bodies and minds through fun and educational activities.

#### Our history

Established by Chick-fil-A Founder S. Truett Cathy in 1985, WinShape Camps launched life-changing summers with our very first overnight camp. That early experience set the stage for how we do camps today—creating fun and faithful places for young people to grow. What we do makes a huge impact, serving 40,000 campers, their families and 800 summer staff each year. On top of our attention to hospitality and service is a commitment to excellence – all qualities we admire and share in Chick-fil-A.
